Alexandria, VA 22313-1450

**RESPONSE TO DECISION REFUSING STATUS UNDER 37 CFR §1.47(a)
IN LIEU OF REQUEST FOR RECONSIDERATION OF PETITION**

Sir:

This paper is filed in response to the Decision Refusing Status Under 37 CFR §1.47(a) mailed May 24, 2006.

The prosecution of the instant application has resulted in the amendment of some claims and the cancellation of other claims. As a result, the correct number of inventors for the claims as presently constituted is fewer than all of the currently named inventors.

Accordingly, an Amendment correcting inventorship was filed on July 14, 2006. Specifically, the following names have been deleted as inventors for the instant application, as they are not actual inventors of the invention being claimed:

Gabriel M. Rebeiz
Guan-Leng Tan

The lack of signed Declarations from Gabriel M. Rebeiz and Guan-Leng Tan was the reason a "Notice to File Missing Parts of Application" was originally issued. The applicants filed a "Petition Under 37 CFR §1.47(a)" in response, which was dismissed by means of the "Decision Refusing Status Under 37 CFR §1.47(a)" mailed May 24, 2006.

However, as a result of deleting Rebeiz and Tan as named inventors, there is no longer any need for signed Declarations from them, and therefore no longer any need for a Petition Under 37 CFR §1.47(a). Therefore, no reconsideration of the Petition is needed or requested.

It is the applicants desire that the application, which has been issued a Notice of Allowance, proceed to issue with the inventorship indicated in the afore-mentioned Amendment.

It is presumed that this response is sufficient to avoid abandonment of the application.

Respectfully submitted,

Steven C. Patrick
